

Comparing Gliffy's Atlassian Marketplace Apps

Gliffy offers two versions of its technical diagramming app for Confluence:

Gliffy Diagrams for Confluence

- Our flagship app; best for most teams and includes the most features
- Available for Confluence Cloud and Data Center

Gliffy Zero Egress | Compliance-Ready Diagramming

- Compliance-focused; no data ever leaves your Atlassian environment
- Available for Confluence Cloud, Government Cloud, and Isolated Cloud

Each version of Gliffy has the same interface and basic controls with some variance in features. Reference the charts below for more detail.
